Food Share Program (Formerly Food Stamps)

The FoodShare Program helps families who have little money buy nutritious food. If your family qualifies for the WIC Program, you may already qualify for FoodShare under new state guidelines.

You've probably heard of food stamps or SNAP (Supplemental Nutrition Assistance Program). In Wisconsin, we call the program FoodShare. The goal of this program is to stop hunger.

You can use your FoodShare benefits at most stores. You also can use them at many farmers markets, where you can buy fresh fruits and vegetables most months out of the year.

People all over Wisconsin get help from FoodShare. We help people of all ages who:

- *Have low-income jobs*
- *Live on a small or fixed income*
- *Are retired*
- *Have lost their jobs*
- *Are disabled and can't work*

Salvation Army Emergency Assistance

“As we saw in the early days of the COVID-19 pandemic, millions of people across the country were forced into making a choice between things like keeping a roof over their heads and putting food on their family’s tables. We believe no one should have to make a decision like that, so we provide rent and mortgage relief to those who need it.

For instance, The Salvation Army of North & Central Illinois connects residents with local housing resources for rent and mortgage assistance.

Additionally, Relief Benefits is a national free, comprehensive tool that helps find relief for those that are normally able to make ends meet but need help when unexpected situations arise.

We have always fought to ensure that no one goes without heat in the coldest winters, air conditioning in the brutal summers, or fresh water to drink and bathe in.”

- UNIT SERVICES:
 - 24-Hour Crisis Service & Involuntary Commitments: Mobile, walk-in and telephone service.
 - Psychotherapy: Individual, marital and family therapy is provided.
 - Psychiatric Services: Board-certified psychiatry for evaluations & ongoing medications.
 - Consultation/Education: Consultation available to schools, institutions, agencies and individuals on mental health.
 - Coordinated Service Team: Strength based and family centered team process for children and families with multiple needs to assist agencies and schools to work together and provide more comprehensive care.
 - Comprehensive Community Services: CCS is a Psychosocial Rehabilitation program designed for consumers with Medicaid and who have a mental health or substance use diagnosis. This program provides a team and strength based approach to assist consumers in meeting their goals and reaching their full potential.
 - Community Support Program: The Community Support Program serves people with chronic, severe and persistent mental illnesses and are at the greatest risk for admission to mental health hospitals. The CSP program utilizes the services of psychiatrists, a psychologist, nurses, and social workers to implement and oversee treatment provisions. The program also utilizes trained paraprofessionals including mental health technicians to make regular contacts in the community. Services are billable to Medicaid. Treatment provision within CSP is directed toward providing the necessary supports to individuals in order that they remain in the community and out of costly psychiatric inpatient facilities. These residents are the most vulnerable population of people who have mental illnesses and at greatest risk of decompensation without community support. Provided services include medication monitoring, assistance with activities of daily living, money management, linkage to and utilization of appropriate community resources, supported employment/sheltered workshop activities, socialization skills, symptom management and coping techniques, and management of a variety of medical and AODA issues. For more information please call 920-787-6600.
