

Report identity theft at www.identitytheft.gov

- Medical bills for services you didn't use
- Charges you didn't make on your credit cards
- Withdrawals from your bank accounts that you didn't initiate

Signs of Theft

When someone steals your identity and opens fraudulent accounts in your name.

IDENTITY THEFT PREVENTION

PREVENT IDENTITY THEFT

- Be cautious with your mail and personal documents:
Shred before disposing
- Monitor your credit card and bank statements monthly for suspicious charges
- Get your free credit report at www.annualcreditreport.com and check for accuracy
- Add a fraud alert or security freeze
