UNIVERSITY OF WISCONSIN-MADISON

Rent Smart

Rent Smart is a six-session course that helps participants with negative or limited rental records gain the skills to find and keep safe and affordable housing. We also train service providers to use the Rent Smart program with their clients. See below for Rent Smart results from 2024.

98%

The course will or might help them obtain appropriate housing

99%

The course will or might help them keep future housing

84%

Who moved since the course say new housing is safer, more affordable, and/or better quality

90%

of community service providers feel moderately or definitely able to help clientele find affordable and quality housing

92%

of community service providers feel moderately or definitely able to help clientele sustain housing once it's acquired.

What people are saying

- "Once again, UW Extension provides great resources, tips, worksheets and activities that will assist me in serving the youth & young adults I work with. Thank you!"
- "Rent Smart has a proven and respected track record for sound information on best practices for tenants. I really appreciate the thoroughness of the material."
- "Thanks to Rent Smart I made sure the fees and information landlords posted and gave were legal and following WI state rental laws."
